

Hapco Is Proud To Announce  
**AISC CERTIFICATION**

American Institute of Steel Construction (AISC) Certification makes a strong statement about a company's commitment to quality, ensuring...

- An active and dedicated quality management system is both in place and adhered to.
- The quality of processes, from quality goals to employee training to product delivery.
- A company that has the personnel, knowledge, organization, equipment, experience, capability, procedures and commitment to produce quality work on every order.

*Hapco's employees are committed to continually improving the effectiveness of our quality management system and its focus on customer satisfaction.*

**HAPCO...Committed to Service Excellence**
