Delivering Revolutionary Solar Power.

Supplying solar power for LED lighting and other DC powered accessories, Hapco Solar Poles incorporate exclusive Smart Solar Control Systems which provide optimum efficiency and guaranteed power. Product capabilities range from 20W - 80W, with built-in wireless communication for remote monitoring and easy asset management.

Hapco Solar products are sustainable, reliable, easy to install, and built to last.

**Full 5-Year
Warranty on All
Solar Components**

LIFETIME
Aluminum Pole
Warranty

Applications:

- Streetscapes
- Walkways
- Pathways
- Parks & Rec
- Residential Streets
- Commercial Centers
- Campuses

Hapco Solar Pole

Peace of Mind

Ease of Install

Performance Excellence

CATEGORY	FEATURE	BENEFIT	RESULT
Design	Power range (110Wp - 440Wp)	Unmatched system capabilities	
	Panel efficiency (24%)	Sustainably designed. Overperformance avoided.	
	Battery power density (231Wh/kg)	System autonomy of 30+ days	
	Vertical cylindrical solar	Self-cleaning with aerodynamic aesthetics	
Performance	Solar lighting anywhere	No costly trenching	
	Self-provisioning operation	Straightforward setup. No commissioning.	
	Hand hole power pack	Easily accessible. Lowest TCO.	
Longevity	5-year warranty, no pro-rating	Purchase peace of mind	
	Aluminum pole lifetime warranty	Strong system foundation	
	Fully engineering solar system	Complete system optimization	
	5 years cellular remote monitoring	Streamlined maintenance. Accessible performance.	

Competitor Comparison

Standard Configurations

ITEM #	POLE HEIGHT	# SOLAR MODULES	BATTERY SIZE	LED WATTS
SLR1-FSA20	12'	1	850 Wh	20W
SLR2-FSA40	18'	2	1050 Wh	40W
SLR3-FSA60	24'	3	1250 Wh	60W
SLR4-FSA80	30'	4	1250 Wh	80W

*Standard Hapco Solar Poles are available in both Direct Buried and 4-Bolt Base mounting options.

*Custom Solar Poles in mounting heights up to 40' available.
