Design professionals look to Hapco's Silhouette family for truly custom and unique Streetscape solutions. Unlimited cutout design and color options are available in a variety of size options. Contact Hapco for a full listing of design possibilities.

The Silhouette incorporates an Outer Sleeve, a 2-Piece Clamshell Decorative Base and decorative Transition Ring that is welded in place around the neck-down section of the pole shaft. The Sleeve is installed over the lower shaft, allowing custom cutout designs, color options and variations in Base Height.
